POSITIVE PROFIT ALERT

This announcement is made by Future Machine Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules, namely under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong)).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that based on a preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026 (the "**Reporting Period**"), the consolidated net profit of the Group is expected to be not less than RMB30 million for the Reporting Period, representing a period-on-period increase of approximately 160.9% as compared to approximately RMB11.5 million for the six months ended 30 June 2025.

The significant increase in net profit for the Reporting Period was mainly attributable to the increase in revenue from approximately RMB1,601 million for the six months ended 30 June 2025 to approximately RMB2,570 million for the Reporting Period, representing a period-on-period increase of approximately 60.5%. This growth was primarily driven by an increase in sales of smart device products, which amounted to approximately RMB1,780 million for the Reporting Period, compared with approximately RMB917 million for the six months ended 30 June 2025, representing a period-on-period growth of approximately 94.1%. Such revenue growth was mainly attributable to emerging markets, particularly India. Revenue from the Indian market recorded significant growth as the memorandum of understanding signed by the Group at the end of 2025 was gradually converted into formal orders.

The information contained in this announcement is only based on the information currently available to the Company and the preliminary review by the Board on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026, which have not been reviewed or audited by the independent auditors and/or the audit committee of the Company. The actual financial results of the Group for the six months ended 30 June 2026 may differ from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2026, which is expected to be published in end of August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
